PRE-EMPLOYMENT DRUG TESTING

Because South Walton Utility Company, Inc. wants to maintain a “Drug Free Workplace”, one of the requirements for consideration of employment is the satisfactory passing of a pre-employment urine drug test.

The Company has a policy prohibiting the possession, distribution, use, consumption or being under the influence of alcohol or illegal and unauthorized drugs and other harmful substances in order to provide a safe and healthful environment for employees, visitors and members of the general public. Those applicants considered as final candidates for employment will be required to undergo a urine drug test and will be dropped from consideration for employment if the test is positive.

Individuals who have been disqualified due to positive test results will be eligible to re-apply for work one (1) year after having been eliminated from consideration. These applicants must be able to show proof of their completion of a reasonable drug and alcohol evaluation and/or treatment program, and once again satisfactorily passed a pre-employment drug test.

PRE-EMPLOYMENT CONSENT/WAIVER FORM

I have read and understood that South Walton Utility requires passing both a physical examination and a drug test as conditions of employment. I accept the conditions for consideration of employment and I consent to the requirements of the examination and urine drug test. I agree to submit to these medical tests, and I authorize the testing facility to provide the results of these tests to the Office/HR Manager or General Manager at South Walton Utility Co., Inc. I consent freely and voluntarily to South Walton Utility's request for a urine specimen and physical examination. I hereby release and hold harmless the Company, its employees, agents, directors and officers from any liability whatsoever arising from this request to furnish a specimen, the testing of my specimen, and decision made concerning my application for employment based upon the results of the test.
